I haven't discussed it with Greg, yet, but I think at this point we're generally okay giving folks an extra opportunity to provide questions about the documents without Sarah's involvement. I believe we moved forward with this meeting with the understanding that she might not be available. I don't know if we want to enlist someone else's support for meeting moderator.

We have confirmation from Yerington Paiute Tribal representatives that they can host the next roundtable meeting on Monday July 17th (next Monday). The meeting will be held in their Community Center located at 171 Campbell Lane from 2:00-5:00. Please mark your calendars. If you cannot or do not plan on attending, please respond to this email confirming that, so we can get an idea of how people will be attending. Thank you.
